

# JERSEY CARES COAT COLLECTION

November 1, 2017 through December 8, 2017

The **KNIGHTS of PYTHIAS** and **Jersey Cares** are collecting clean, gently used winter coats of all sizes to help clothe those less fortunate than ourselves. Children from abused households, homeless individuals, those on State assistance and many more need warm outerwear to survive the cold weather ahead.

The Borough of North Haledon

is proud to be a partner in this important project !!

Last year, the Knights of Pythias collected 1200 coats. In the last 18 or more years, over 11,000 coats were donated. Please help us with our goal of helping people.
