In North Haledon

Monday, November 26th 7pm-8pm

North Haledon Library 129 Overlook Ave

Or

Sunday December 9th 2pm-3pm

North Haledon Memorial Post 428 512 High Mountain Road

All are welcome

- Residents can learn more about and sign up for the North Haledon Green Team's Compost At Home Program
- Compost At Home Program participants can earn educational credits as required for participation.

About North Haledon's Compost At Home Program

Residents can access the tools needed to start composting in your backyard: outdoor compost bin, book, kitchen bin.

See applications on Facebook, in Borough Hall and the North Haledon Library

Participation requirements:

- Complete & submit program application with a \$15 application fee*
 - Commit to and attend two classes on composting or similar topic as hosted by the NH Green Team
 - Share what you're learning with other participants and our community such as through social media and photos.
- *Your participation fee will be used to purchase a kitchen collection bin for each participant; program participants will also be entered in a contest to win a Sustainable Jersey grant funded turning fork!

Notes:

- You must complete the program as defined to receive all the items
- Items are representative; we will do our best to obtain these items based on availability and cost
- The Green team will select & work with the Borough to purchase all the items; no substitutions.
- Limited spots available

SAVE YOUR LEAVES Adding leaves to your compost pile will be adding browns, or carbon, to the pile!
