NORTH HALEDON—Vintage photos of North Haledon are being sought by Mayor Randy George for a proposed publication on the history of North Haledon. Mayor George and Library Director, Susan Serico, were recently approached by Arcadia Publishing regarding the possibility of a book on the history of North Haledon. Publisher of the popular *Images of America* series, Arcadia requires 180-240 “vintage” photos be submitted in order for the publication to become a reality.

Mayor George stated, “Preservation of the history of our town is one of my priorities. I am hopeful residents and former residents will come forward with photos and help make this project a success.” Photos taken prior to 1960 will be considered for inclusion in the publication.

Serico, Project Coordinator, stated photos may be dropped off at the library anytime during regular library hours. A note should be included with the photo identifying the people, building or site, as well as the year (or approximate year) the photo was taken. Photos will be scanned and returned to owners once the publication is complete.

For more information, call the library at 973-427-6213, ext. 4 or e-mail serico@northhaledonlibrary.org. The library is open Monday through Thursday, 9 a.m.-9 p.m.; Friday and Saturday, 9 a.m.-5 p.m.
